

Remo Networking Event Guide

Get Your Device Ready

Camera and Microphone Settings

To get the full experience of connecting with others, use a device with a camera and microphone.

Device Compatibility

Remo works on desktops, laptops, and mobile phones.
(Tablets are not supported at this time.)

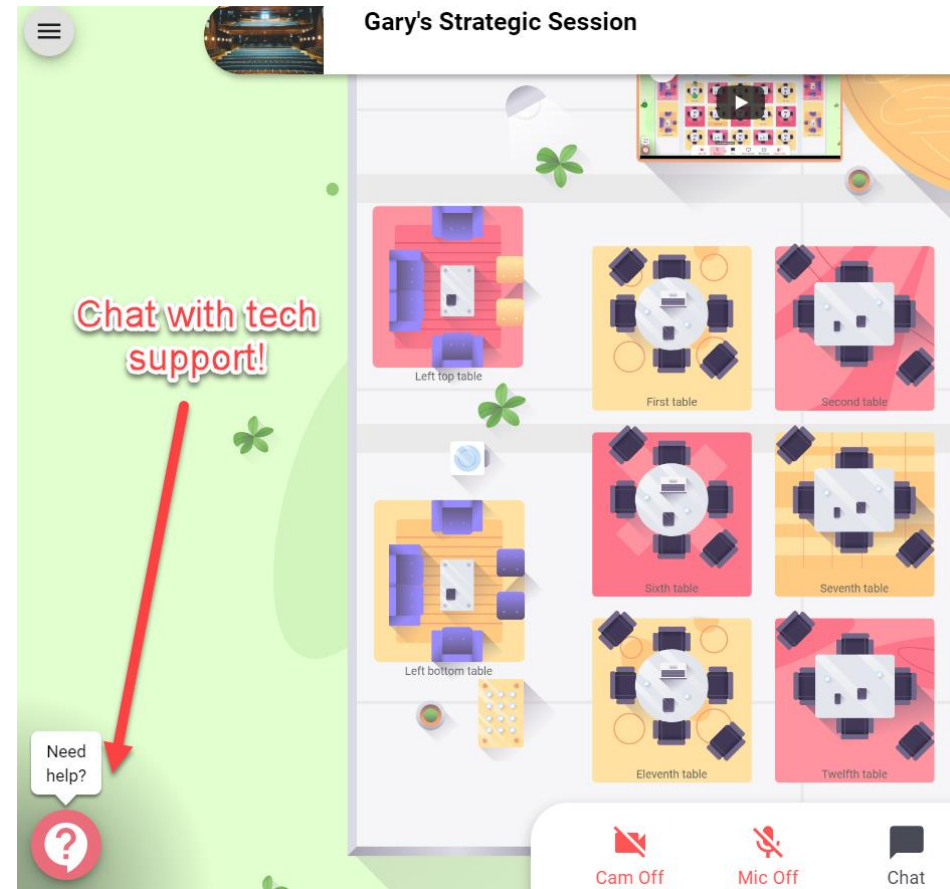

Pre-Call Test

Make sure your browser, hardware and internet connection work properly on this page:

<https://hi.remo.co/geartest>

Tech Support

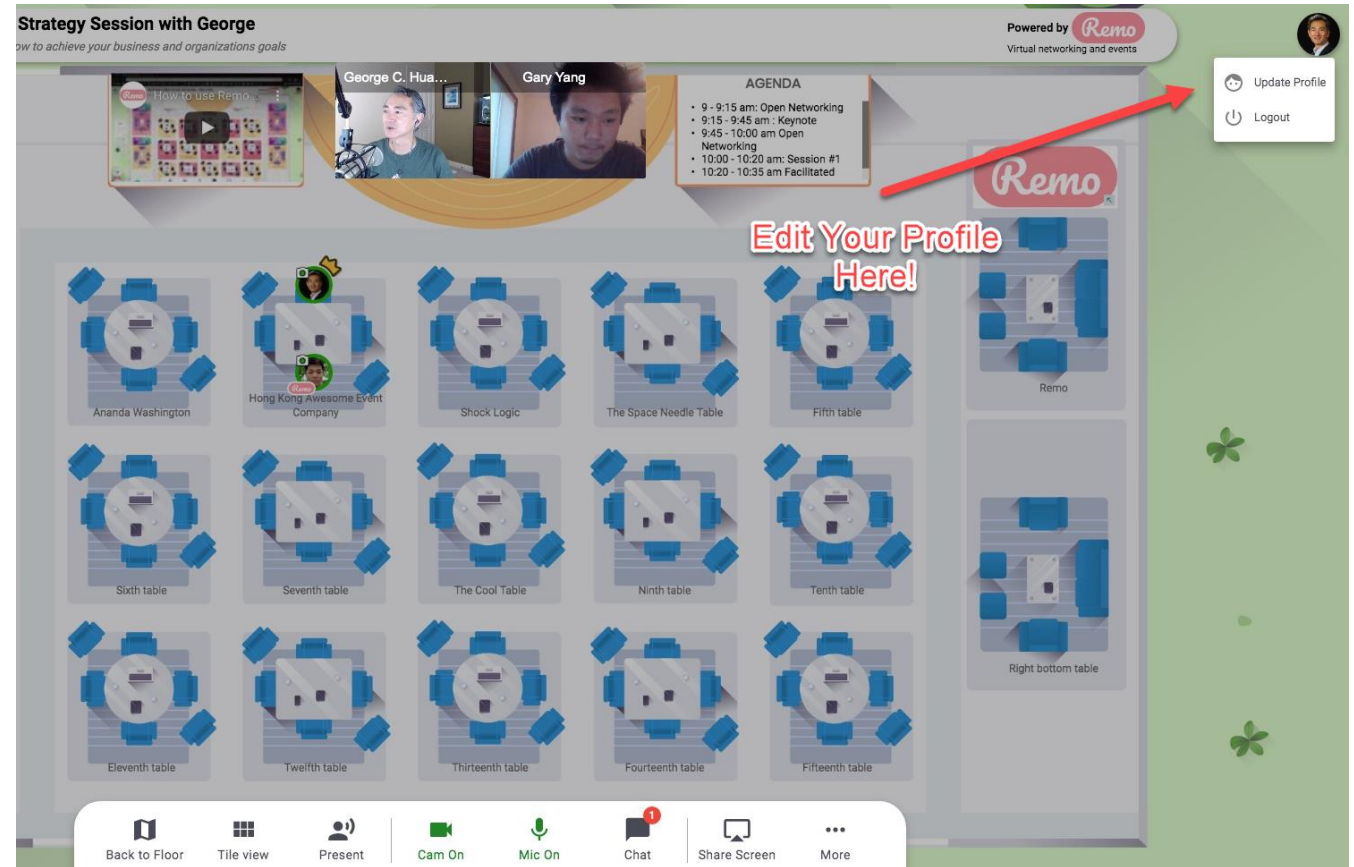

If you experience technical difficulties at any point, feel free to select the “**Need help**” icon in the bottom left corner for access to the Remo support team.

Join an event to set up your profile

Create Your User Profile

- **Step 1:** Click the event link to join. You will be prompted to create a profile. Include a photo, social media links, company info. etc.
- **Step 2:** To update your profile during the event, click on “My Profile.”
- **Step 3:** After you create your profile, you will enter the event.

Floor View

- You will have a bird's eye view of the floor plan throughout the event.

Elevator

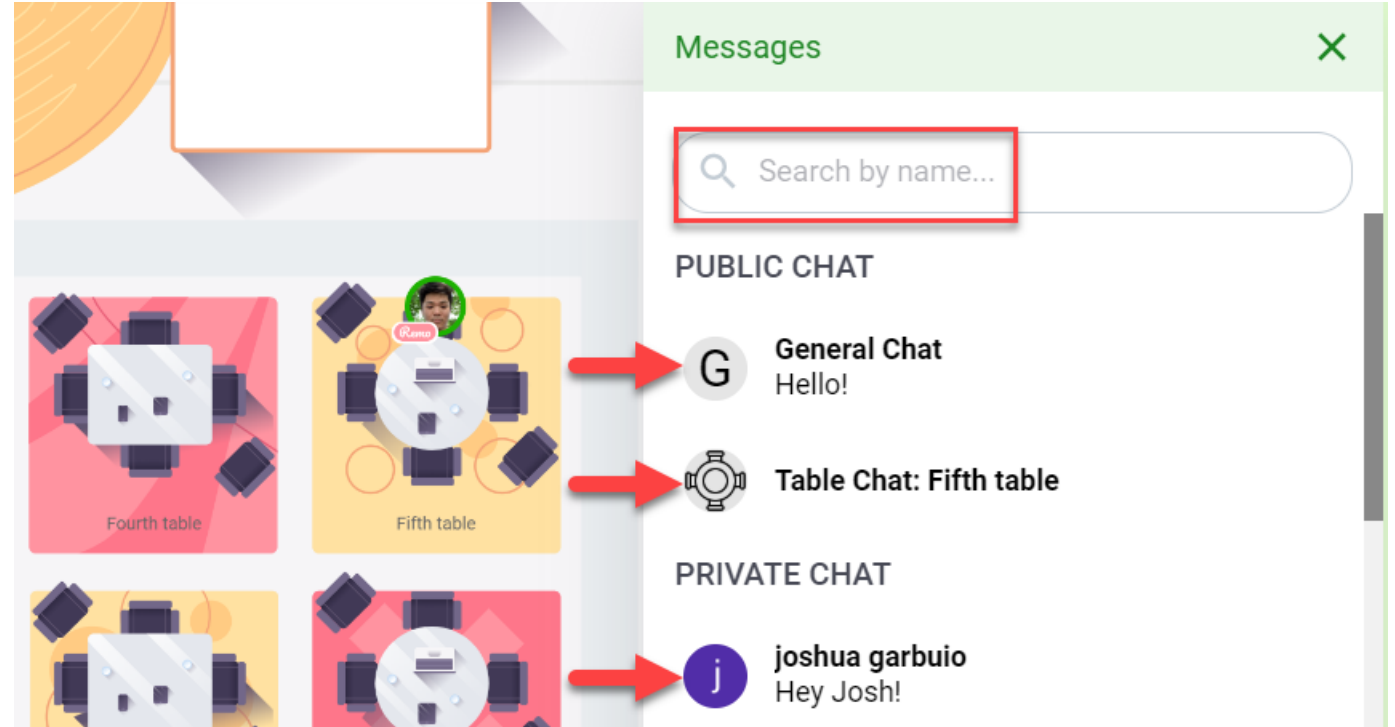

- There are 5 different floors in this event.
- Use the elevator buttons on the left side of your screen to move between them.
- To see how many attendees are on a particular floor, hover your cursor over the floor button.

Chat Function

Select the chat function you would like to use.

- Public chat is visible to all event attendees.
- Table chat is visible only to members of your table.
- To send a direct message to an individual, click on “Search by name” at the top of the window and input the name of your desired recipient.

Toolbar

- Turn on your camera and mic by clicking the icons
- Share your screen
- Try the Whiteboard
- To leave the event, click on “Quit Event” in the bottom toolbar. You can rejoin as long as the event is still open

Tech Support

If you experience technical difficulties at any point, feel free to select the “**Need help**” icon in the bottom left corner for access to the Remo support team.
