In order for you to be considered, you will need to complete the online survey [here](#) no later than 11:59pm CST on May 6.

The survey will have a place for you to upload your resume or CV and two letters of recommendation. At least one letter must be provided by a senior leader (director or above). The second letter may be provided by a senior leader or by a peer, colleague, collaborator, client or someone from another organization.

I hope that you will continue this nomination process as I feel you are a great choice for this award.
